Parkinson's DBS Support Group – Monday, May 24th at 4:05 pm

James E. Morgan III is an attorney providing legal services covering Securities & Corporate Finance and Business and Energy & Natural Resources. Jim, who practices law in Miami, FL was selected to **Super Lawyers for 2006 - 2020**...a peer designation that is awarded to only a few lawyers in each state. The Super Lawyers selection process takes into account peer recognition, professional achievement in legal practice, and other cogent factors. **What it didn't consider was Jim's Early Onset Parkinson's diagnosis** that accompanied him throughout his years of recognition. Jim developed dyskinesia and, last fall, underwent **Deep Brain Surgery**. He is hopeful that his DBS will give him many more good years to continue his storied career.

Jim' DBS story is one of **hope and determination** in the face of Parkinson's disease. You won't want to miss this one!
